

**POAC Autism Services Family Surf Day**  
**Summer, 2010**  
**Sponsorship Opportunities**  
[www.poac.net](http://www.poac.net)

Help POAC provide a "Day At The Beach" for children with autism and their siblings. So many families of those with autism find themselves isolated by this life-long developmental disability. Many children and adults with autism have sensitivities and other issues which keep them from participating in community activities. Some activities that are designed specifically for those with autism often don't include siblings and other family members. This event includes the entire autism family and is provided free of charge to all who participate. Your support of this event is desperately needed!
